

Washington State Department of Agriculture Organic Program has reviewed and registered input materials for use in organic production that are distributed, manufactured, or repacked by the below companies.

Refer to the Brand Name Material List for the specific products that are approved in accordance with the USDA National Organic Standards.

- *WSDA does not provide any guarantee, warranty, or endorsement for materials included on the Brand Name Material List.*
- *Registered products must be used in accordance with all noted annotations.*
- *WSDA certified farms and businesses should update their organic system plan prior to use of any new material.*
- *If you are certified by a certification agency other than WSDA, check with your certifier prior to the use of any input material.*
- *The review and registration of input materials or organic production is an ongoing process and product approval can change.*
- *Updates to the Brand Name Material List are made available on the WSDA Organic Program website: <http://agr.wa.gov/foodanimal/organic>.*
